CHABLIS GRAND CRU BOUGROS

Position: South facing

Variety: Chardonnay

Age of the Vines: 15-65 years

Surface area: 1 Ha 20

Yield: 45 hl / ha

Viticulture: Organic manure, ploughing and herbicide in the summer if needed, rigorous tying up, de-budding and green harvest if necessary, controlled sanitary protection

Vinification: 20 % in oak and 80% in inox

Ageing: 12 months

Degrees: 13 °

Organoleptic character: This steep and very sunny slope gives power and elegance. It will open up over time (5 to 10 years) due to its complex material, its notes of honey, hazelnut and spices

Serving suggestion: It pairs well with poultry with cream and morilles

Serving temperature: 10-12 °

Ageing potential: 8-10 years
